Some things to think on:

1. INVITATION:

How is it "in your space"? Do people feel comfortable around you?
How would Christ have you grow in engaging others this week?

2. SHARING YOUR LIFE:

If you had to place how open you are with sharing your life where would you be on the spectrum below?

(open book)
(sealed tight)

3. SHARING GRACE:

Is it more challenging for you to give forgiveness or receive it?

4. SHARING IN THE WORK:

What is one way the Spirit is inviting you to imitate Christ? How can you invite others to help you in that?
