

Why?

Why Rely on the Bible?

1. How should we approach the Bible?

Having carefully investigated everything from the beginning, I also have decided to write a careful account for you, most honorable Theophilus, so you can be certain of the truth of everything you were taught. (Luke 1:3-4)

“After more than two centuries of facing the heaviest scientific guns that could be brought to bear, the Bible has survived—and is perhaps the better for the siege.”

2. How did the New Testament form?

3. What did Jesus say about the Bible?

Jesus said “When I was with you before, I told you that everything written about me by Moses and the prophets and in the Psalms must all come true.” Then he opened their minds to understand these many Scriptures. (Luke 24:44-45)

4. What difference does this make?

God’s goal is that the Bible transforms our character.

These are written so that you may continue to believe that Jesus is the Messiah, the Son of God, and that by believing in him you will have life by the power of his name. (John 20:31)
